

Home to hundreds of animals, the Catoctin Wildlife Preserve spends more than \$200,000 a year for food to feed all of its wild residents. You can “adopt” one of the Preserves animals to contribute to its care and feeding for one full year.

By adopting an animal through this program, you not only help in the care and feeding of that animal, but also support important education and conservation programs at the Catoctin Wildlife Preserve.

## Adoptable Animals

American Alligator

Sloth

Hyacinth Macaw

King Cobra

Zebra

Wolves

Camel

Meerkat
